Number of certificate as per NQA: T8853

Number of certificate as per IATF:0212855

Product being certified: aluminum sheets for automotive bodies

Product scope of application: production of parts for automotive industry

Certificate validity term: to 23 June 2018.

Issuer: National Quality Assurance Co., Ltd. (NQA), Great Britain.

2. Importance for Henan Zhongfu

Henan Zhongfu has recently obtained the Quality Management System Certificate for automotive plates - TS16949. The Quality Management System in respect of automotive plates TS16949 is based on the ISO9001 standard being a technological benchmark for international automotive industry, introduced by International Automotive Task Force (IATF) in accordance with specifics of the automotive industry. Nowadays, this system comprises the highest international standards recognized everywhere across the global automotive industry and at the respective production plants.

Obtainment of this certificate means that Henan Zhongfu has acquired the status of a certified supplier of automotive plates, which will further promote Henan Zhongfu brand image and expand its presence on the international market of products made of aluminum alloys for the transportation industries.

We hereby communicate the above to the public.
